

BROWNSVILLE INDEPENDENT SCHOOL DISTRICT TITLE I-A PARENT AND FAMILY ENGAGEMENT POLICY 2021-2022 BEN BRITE ELEMENTARY SCHOOL

"Activities are dependent on the CDC and BISD guidelines regarding face-to face instruction and social distancing at the time of implementation during the 2021-2022 school year."

I. STATEMENT OF PURPOSE

Ben Brite is committed to providing quality education to every student in the district. Partnerships with parents and the community are essential to this goal as neither home nor school can achieve this goal independently. Everyone gains if school and home work together to promote high student achievement. Parents play an important role as children's first teacher and their support is critical to their children's success. Brite Elementary School intends to include parents in all aspects of the district 's Title I-A programs to create a school-home partnership that will promote student success.

Grade level goals for all children in Ben Brite will be distributed to parents with the expectation that *all* students will work toward these goals. Ben Brite recognizes that some students may need the extra assistance of Title I-A programs to reach these goals and is committed to providing that support.

The annual Title I-A meeting will be held at flexible times to increase the opportunity for parental participation. English and Spanish translation will be available. IV. SCHOOL-PARENT-STUDENT COMPACT

According to Title I-A regulations, Ben Brite must share responsibility with parents for high student achievement by jointly developing a School-Parent-Student Compact. These compacts must outline the responsibilities of parents, staff, and students for promoting high student performance. Parents on Ben Brite Advisory Committee must be involved in designing the compacts. Students' responsibilities may vary by grade level.

All parents will receive the compact from their child's school with a checklist of the responsibilities that teachers, parents, and students have for helping students achieve their goals. Ben Brite will conduct a Parent-Teacher conference in which the responsibilities stated for all stakeholders in the S-P-S Compact are discussed.

Parents are urged to discuss the compact with their children before they and their children sign the document. The School-Parent-Student Compact will be posted on the campus website.

- V. Ben Brite will provide opportunities for parent engagement to become involved in their children's education. Ben Brite values both the at-home contributions of parents and those that take place at the school or in the community. Reading to children at home and talking with them at family meals are as important as volunteering at school and serving on advisory committees. Many types of family engagement are needed in school-home-community partnership to help all children succeed. In alignment with BISD's philosophy and mission, each Campus Improvement Plan (CIP) must include a family engagement component. All parent and community volunteers must comply with the district policy regarding State of Texas background checks.

VIII. EVALUATION

The district-wide Title I-A Parent Advisory Committee, which includes parents of Title I, Migrant, Bilingual, Special Needs and GT students, will participate in the process of school review and improvement. This committee will collect information in a variety of ways, including campus visits and class observations.

Parents will also be asked for their input on the content and effectiveness of the Title I-A Family Engagement programs through an annual evaluation of the program. The evaluation will include an assessment of overall increases in family engagement and barriers to parental participation that still need to be overcome.
